

# 3250i-V AND 4250i-V VISULINE™

New York Presbyterian Hospital

Davis Brody Bond

Wausau Window and Wall Systems® Visuline™ windows and window wall deliver high-performance flexibility for health care, educational, governmental, and high-rise residential projects.

Engineered with structurally glazed, concealed sash and Euro-handle multi-lock systems, Visuline windows meet the industry's most stringent performance criteria, and carry AAMA AW-90 to AW-135 ratings.

Challenging application? Demand the energy efficiency and condensation resistance of Wausau's Visuline windows and window wall.

WINDOW AND WALL  
SYSTEMS

There's a reason so many of our nation's most important buildings, from art museums to elementary schools have Wausau windows...

For more than 55 years, Wausau has set the standard for performance, quality, and ease of installation.

Wausau engineering professionals ensure that each building's windows are right for its needs, such as pre-engineered school windows, architectural grade hospital windows, or customized historically accurate replacements.

Wausau supports your sustainable design goals, and offers an industry-leading product warranty of up to 10 years.
