Wausau's Windows on the Windy City

For more than 60 years, Wausau's windows and curtainwall have been up to the challenges of Chicago's Midwestern winters and lakeshore winds. From high-rise residential towers to downtown office buildings to suburban schools and hospitals, design professionals have called on Wausau Window and Wall Systems for engineering expertise and quality fabrication, while installation subcontractors enjoy personalized customer service - all backed by an industry-leading Standard Limited Warranty of up to 10 years.

Soho House Chicago . Hartshorne Plunkard Architecture

Whether your project calls for cost-competitive architectural windows or balcony doors, or custom-engineered high-performance curtainwall; new construction or historically accurate renovation, sustainable designs or resilient protection - We help you achieve your design vision and construction goals, on time and within budget, with support from our experienced technical team.
