## **AAMA honors Wausau's Doug Holmberg with Distinguished Service Award**

Wausau, Wisconsin (Feb. 2015) – Wausau Window and Wall Systems' quality manager, Doug Holmberg, was honored with the Distinguished Service Award by the American Architectural Manufacturers Association (AAMA) Architectural Products Group.

The award recognizes his formative work on behalf of the association. Holmberg currently contributes to 37 AAMA committees and task groups spanning subject matter from security hazard mitigation to technical matters.

Holmberg accepted the award at the AAMA 78th Annual Conference Awards Banquet held Feb. 15-18 in Ft. Lauderdale, Florida. The previous recipient, Mark Silverberg, president of Technoform North America, presented the award and noted the importance of Holmberg's contributions to further the industry as a whole.

*Nationally recognized for its innovative expertise, Wausau Window and Wall Systems is an industry leader in engineering window and curtainwall systems for commercial and institutional construction applications. For more than 55 years, Wausau has worked closely with architects, building owners and contractors to realize their vision for aesthetic beauty, sustainability and lasting value, while striving to maintain the highest level of customer service, communication and overall satisfaction. Wausau is a part of Apogee Enterprises, Inc., a publicly held, U.S. corporation.*

*Wausau and its staff are members of the American Architectural Manufacturers Association (AAMA), the American Institute of Architects (AIA), the APPA – Leadership in Educational Facilities, the Construction Specifications Institute (CSI), Design-Build Institute of America (DBIA), Glass Association of North America (GANA), the National Fenestration Ratings Council (NFRC) and the U.S. Green Building Council (USGBC).*
